La Residentia

Each residence at Rahat Heights II manifests exceptional sophistication, be it the space, interiors, lighting, or accessories. Our varying floor plans offer flexible configuration of apartments to satisfy your whims and fancies.

Exquisite Elegance

With meticulous attention to detail, these beautiful apartments have been designed to an exceptional specification. The generously proportioned rooms with superb natural light have been thoughtfully arranged to create the most elegant and inviting living spaces.

Kitchen

Kitchen design has reached a new level of integration. The quiet incorporation of the kitchen into the home's primary living and entertaining rooms provides homeowners with far more flexibility in their lifestyles. Integrated and concealed appliances allow the kitchen to enhance rather than intrude into other spaces.

BUILDER'S PORTFOLIO

Rahat Associates (SMC-PVT) Ltd. aim to redefine the commercial/residential projects that are unparalleled in countless ways. Rahat Heights II is a highly innovative project undertaken by Rahat Associates (SMC-PVT) Ltd.
